Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith are copies of three (3) references cited in the enclosed Office Action issued in Japanese Patent Application No. 2001-358122. Japanese Application No. 2001-358122 claims priority of Japanese Patent Application Nos. 2000-358462 and 2001-318867 under Japanese Patent Law Sec. 41, the priority of which is claimed in the present U.S. application under 35 U.S.C. 119. For the Examiner's convenience, we have enclosed an English translation of the Japanese Office Action from the corresponding Japanese Patent Application and a completed Form PTO-1449. Further, although the Japanese Office Action cites JP 11-198020 and 11-309661, Applicants did not include a copy of these references herewith as these references have been previously cited in an Information Disclosure Statement filed on February 21, 2002. In addition, although the Japanese Office Action cites JP 9-

85737, Applicants did not include a copy of this reference herewith as U.S. 5,827,113, which corresponds to JP 9-85737, has been previously cited by the Examiner in the Office Action dated December 22, 2003. The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application.

In accordance with 37 CFR § 1.97 (c), Applicants enclose a Credit Card Form for \$180.00 to pay for the fee set forth in 37 CFR § 1.17(p). The Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages.

Applicants respectfully request that the disclosed reference be made of record in the subject application.

Respectfully submitted,

Date: April 22, 2004
